## Insulation Bids Heat Up County Commission Meeting

By Jon Thompson

In a tense special meeting Tuesday afternoon before television cameras, the county board of commissioners admitted they made a mistake concerning insulating the courthouse and turned the responsibility over to the county building authority.

The county board, in the afternoon session of their Jan. 26th regular meeting, had voted 6-1 to accept a proposal from AuSable Construction to add insulation to the courthouse for \$16,939. The commissioners later found out they didn't have the authority to insulate the building. Under a building lease contract, any permanent alterations to the building must be approved by the building authority comprised of Fred Schaibly, Joe Wakeley, and Don Bancroft.

At the special meeting Tuesday the commissioners rescinded their earlier

motion and passed another motion handing the entire insulation project over to the building authority.

Fred Schaibly said the authority's usual procedure is to advertise for bids. He expected the authority to advertise for the insulation job and allow the four persons or companies who submitted proposals earlier to submit new bids.

The commissioners did not advertise for bids earlier in an attempt to speed the project along and get insulation in the courthouse as soon as possible. They asked Bruce Jones, Zoning and Building Director, to call all insulation companies in the

area for proposals. Heating bills amounted to \$24,000 last winter and a bill of about \$30,000 is expected at the end of this cold winter.

The decision not to advertise upset some local persons, and, in addition, the lowest proposal for the project wasn't accepted last Thursday by the commissioners. Commissioner John Miller, who made the motion to accept the AuSable proposal, said six commissioners felt AuSable was the best company for this job. Welser voted against the motion because he wanted to spend another week looking into the project to see if some money could be saved by

using insulation already in the building. In the morning session of the Thursday regular meeting, the other commissioners had agreed to hold another meeting to study the project and one was scheduled for Feb. 6. Welser was so upset at the change during the afternoon session he walked out of the meeting.

Three other proposals were received by commissioners for insulating 18,500 to 19,000 square feet. Dan Peterson proposed a sum of \$10,800 for the job, William Gildner \$13,942 plus five percent after Jan. 23, and Furstenau Insulation \$17,300.

## Shawn Lovely Crowned Miss Grayling for 1984

Shawn Lovely, 17-year-old senior at Grayling High School, was named Miss Grayling 1984 before a filled Joseph Stripe Auditorium Saturday night.

Lovely, the daughter of Barbara and Roy Lovely, of Grayling, will reign over the 59th Annual Grayling Winter Sports Carnival Feb. 4-5.

Michelle Leal, also a 17-year-old senior at GHS, was named first runner-up. Michelle Muriel, an 18-year-old senior at GHS, was named second runner-up out of ten girls entered.

Leal also won the talent portion of the pageant with a song and dance skit "You Made the Pants Too Long" made popular by Barbra Streisand. She played the tune on the piano earlier and played the recording during her performance.

Kris Larson, a 17-year-old senior, at GHS was named Miss Congeniality.

Lovely receives a \$500 scholarship donated by Grayling State Bank, Northern National Bank, Gaylord State Bank, United Federal Savings, and Wurtsmith Comm. Federal Credit Union. Leal received a \$250

scholarship donated by the Grayling Youth Booster Club, and Muriel received a \$75 scholarship donated by the Grayling Business Women's Association. Leal and Larson also received \$50 each for the talent and congeniality awards.

All the contestants joined in a dance "Puttin' on the Ritz" and sang the familiar "Thanks for the Memories." Pageant host Chris LeRock also sang two songs during the pageant including an energy-packed version of "Ring Them Bells."

In the individual talent portion of the pageant, Lovely danced to the song "What A Feeling" from Flashdance. Muriel had the audience join with her in an exercise routine called Michelle's Winter Wonderland Workout.

Kimberlee House danced to the song "Beat It", Brenda Johnson sang "Evergreen", Larson played a medley of songs on the piano, Lisa LaMotte performed a comedy gymnastics routine, Diane Lee sang "Don't Cry Out Loud", and Lea Morse played "Love Me Tender" on the clarinet.

## \$100 Medallion Found At Keystone Landing

By Jon Thompson

It was clue number seven that led Donna Levitt, of Frederic, to Keystone Landing where the \$100 Grayling Winter Sports Carnival Medallion was hidden.

She said she checked a map for all the roads in the county where you could turn left and be heading east and then turn north to a dead end.

"There were four or five places that fit that clue in the county and Keystone Landing was the third place I checked," Levitt said. "I was turning to leave after checking the landing when the 'No Camping' sign caught my eye."

She then noticed something shining in a tree and discovered the medallion nailed to a tree six feet above the ground.

Levitt joined in the medallion hunt from the first day and she said she spent a lot of time searching on an island in Little K.P. Lake where she thought the clues led her.

Levitt will collect her \$100 prize at 2:30 p.m. Saturday at Hanson Hills during the Winter Sports Carnival.

For the more unfortunate hunters, here are the rest of the clues written by Mike Shearer and Rick Mead, who also picked the hiding place for the medallion:

4. On Gilligan's Island, Thurston Howell the Third had several discussions with a wise old bird. His wife was Lovey, she would ring the bell while digging for some old sea shells. Near water she was and sinking in sand, til she finally stood up on good old dry land.

5. On Michigan Outdoors, Mort Neff would say, go camping young men but don't eat the hay. The three of you guys, I could not take unless you first go jump in a lake.

6. Remember that compass I told you to get, go fetch it now and plan not to fret. I'm in a big freeze so get ready to travel, I'm 300 degrees in direction for the old Mason Chappel.

7. Before you get to the wide round red eight, you'd better turn left and then you should skate. In your rear view mirror you'll be looking west, now is the time to be put to the test. In just sixty minutes you will be way too far, back up the legal speed limit, I'll know where you are. Then north again and before you plop, you must bring your car to a sudden stop.

8. The Maytag man is very near, so much so you can almost hear, the whirling sound of drying air, too bad though, I am not there, but pool your thoughts, I'm one of three, across the way from me — you'll see.

9. In days of old when Knights were bold, Max Sennett was the king. Look up to me he'd surely say and you'd begin to sing. "Go out and put your cold hard cash in any well known fridge, but please do, go past the Chase Manhattan Bridge."

10. In this clue I'll tell you the way, go 20 feet east of the Q.F.A. There I am and I'll throw you no stone, I'm right behind the twilight zone.

11. Roses are red, violets are free. Make sure you go right at the old yellow tree. Then stop right there and pick a flower, after you've gone about one hour.

12. The final day I'll give you a key. Search for me now and you'll see. If you like my rippling music, I'll throw you no bones, maybe you like the rolling stones. But now it's time to go, I won't leave you standing, you should find me now at a happy landing.

## Downhill Canoe Races Highlight 59th Winter Sports Carnival

The amusing kids downhill innertube races and the thrilling downhill canoe races will once again highlight the Grayling Winter Sports Carnival this year.

The oldest winter festival in Michigan will be held on February 4-5 with most of the events taking place at the Hanson Park Recreation Area west of Grayling.

The innertube races feature youngsters attempting to reach the bottom of the hill ahead of the competition. They get a running start and straddle the monstrous tires for the rapid downhill race. Of course more often than not it is miraculous if any racer makes it to the bottom of the ski slope.

The downhill canoe race is possible in this area primarily because the canoe livery owners on the AuSable and Manistee Rivers permit the older canoes to be used once a year for this snowy race. Two racers are permitted in each craft and they race against another pair in elimination heats. They have a running start at the top of the ski slope and attempt to be first to reach the bottom of the slope. They must go between two flags located about 50 feet apart.

While the location of the flags appears to be a large target, there is virtually no way to steer the canoes. Some competitors say that shifting of the weight does give some steering ability but those who wind up on adjoining ski slopes believe there is little

truth to the theory.

Another unique feature of the Grayling Winter Sports Carnival is the Klondike Canoe Race which is held on the AuSable River. The event takes place at 3:00 p.m. on February 4. The competitors travel four miles downstream and then turn around and face the strong current for the return trip. There is an ever present danger in overturning because the combination of frigid water and distance to a warm shelter can be tragic.

Another popular feature of the carnival is snowshoe golf played with a hockey stick and tennis ball. The competition is open to all comers with the only condition being that each person must wear the snowshoes. The snow is deep enough on the course so that it is doubtful if a player could reach his second shot without snowshoes.

If snowshoe golf appears difficult, picture the contestants who will be playing snowshoe softball and find it necessary to run. Spectators will be assured of plenty of spills and lots of laughs.

The more traditional winter ski events will include Alpine Ski Races on February 4 and a 15-kilometer cross country race on February 5.

The youngsters will have some exciting events during the two days including pony and sleigh rides and many games.

## County Inquiring About Regional Jail Site Here

By Jon Thompson

The Crawford County Board of Commissioners have authorized their consultant, H. James Bourque, to query the state Department of Corrections about site selections for eight proposed regional jails to be built by the mid 1990's.

The state reportedly has five of eight sites already

selected and are looking for three more sites. Each of the eight regional jails would hold 500 prisoners in different security levels.

One county commissioner, who felt Crawford County has room for a regional prison, estimated an additional 60-70 jobs would be brought into the area.

The plan to build regional

jails has been pushed recently with prison population increasing. Six times since 1981, the Emergency Powers Act (reduces sentences to keep prison populations below capacity) has been used to control prison population.

The board authorized Bourque to talk to the Dept.

## From Our Corner...

Nice things we like to relate in our corner...

With the selection of Shawn Marie Lovely as Miss Grayling for 1984 at the pageant last Saturday evening, the first step towards the 59th annual Grayling Winter Sports Carnival has been completed. Along with the new queen, Michelle Colleen Leal was named 1st runner-up; Michelle Marie Muriel was named 2nd runner-up and Kristine Kay Larson was chosen as Miss Congeniality. Miss Leal was the winner of the talent contest besides being 1st runner-up.

The lovely queen will be introduced officially at the annual Winter Sports Carnival kick-off dinner-dance Thursday evening, February 2nd at the Chief Shoppenagons Motor Hotel, and as her first line of duty she will reign over the carnival this Saturday and Sunday, February 4th and 5th at Hanson Hills the winter sports site...

An invitation by the several committees handling the events for the winter fun time is offered to one and all to come and enjoy a fun filled weekend of winter sports...

Our congratulations and a Tip of the Derby to all the lovely gals who participated in this year's contest for Miss Grayling 1984...

Nice things we like to relate to in our corner...

We just came from the open house celebrating the 50th wedding anniversary of Charles and Phyllis Long Sunday afternoon and we wish to congratulate them on this milestone along with the same wish to A. J. and Doris Sorenson their 50th anniversary on Monday, January 30th, also to David and Marguerite Cook who celebrated their 50th anniversary January 20th...there are not many couples that reach this golden time of life together...

We were asked a few times Sunday how the progress was coming on our moving into our den at home...we do have one thing to relate...our bride and I were talking about building a closet behind the door to the den to take care of (that means hide) things that we don't have room for...she said that sounded great, that way she could take the dresser that is in that spot into our bedroom and she could bring her sewing machine into our den...she said besides, your desk only takes up one side of the room and that would be just right for my sewing machine on the other side of the davenport...we're beginning to get a defeatist attitude toward ever getting into our den only because if we do there won't be room for my typewriter and stuff, because along with her sewing machine will be her stuff...and the poor davenport can hold only so much...

A memo to Jack McClain of Grand Rapids, one of our avid readers...we received your letter and we were all set to take advantage of your suggestion of being the first to offer Crawford County as a place to build one of the state prisons that are being considered when we got the minutes from the Crawford County Board of Commissioners and they took the thunder from our pen...we quote part of the minutes... "Authorized Consultant H. James Bourque to contact the Dept. of Corrections relative to the possibility of placing one of Michigan's eight new prisons in Crawford County. Other funding sources for jail renovation and construction are also being investigated." unquote...we haven't had a chance to check out your suggestion of moving the Air National Guard from Battle Creek to Grayling... Jack, that's the best we can do in this week's turkey for you...if we find out anything else we surely will pass them along, I know you are concerned about taking out the railroad spur to the camp some ten years ago...

This takes care of this week's efforts...so we bid T.J., Stefany and Amber goodnight...we are heading for home to try and catch part of the All-Pro football game...to all our readers, plan on taking in the winter carnival this weekend if you are an outdoor lover...fun for everyone...

## The Bible Speaks

From Calvary Baptist Church

### A CRAZY WORLD

Fifty years ago we were told that Bible Christianity was hampering the growth and development of our nation. The Humanists assured everyone that modern science and technology would destroy the religious "myths" which bound society and usher in a utopia. By believing man to be his own god, human government became the highest divine authority from where all rights and freedoms came. From our pledge of allegiance to the flag stating "one nation under God", we have become government over God.

Seven fathers are in jail in Louisville, Neb. because the State of Nebraska believes their children belong to government instead of God. The federal government is preparing to force churches to pay taxes because they believe churches are under government instead of God.

Christian parents are having a difficult time training their children to preserve the moral purity of the family unit. The Humanists are bombarding the minds of the people with pornography and permissiveness. The homosexuals are pushing House Bill 5000 in the Michigan legislature. Their goal is to gain unrestricted access to our homes, our schools, and even our churches. These have certainly become queer times in which we live. Humanist perverts wish to destroy the moral structure of the home in the name of "gay rights".

Fifty years ago we were told that the government could spend us into

prosperity. They didn't tell us that someone had to pay the bill. Noone told us that business tax merely raises the price of the things we buy. Noone told us that if we don't pay taxes now, we pay later through inflation. Liberal Humanist politicians have deceived parents into robbing their own children and grandchildren so they can be herded into socialist slavery.

The best selling book by Orwell concerning 1984 describes the deception of words. Perhaps the biggest lies being told today in all areas of society are based upon altered meaning of words. The Humanists are second only to the Communists and religious liberals in this form of deception.

The Humanists have turned mothers into murderers, sex into perversion, covetousness into robbery, and truth into lies. God's simple laws for a decent and orderly society are very plain, "Owe no man anything, but to love one another. For he that loveth another hath fulfilled the law. For this, Thou shalt not commit adultery. Thou shalt not kill. Thou shalt not steal. Thou shalt not bear false witness, Thou shalt not covet; and if there be any other commandment, it is briefly comprehended in this saying, namely, Thou shalt love thy neighbour as thyself." Romans 13:8, 9. No Humanist can ever improve upon the respect God's laws teach for human life, family, property, integrity, government, and blessing. (Adv.)

7th & 8th Grade Basketball

by Steven Ross, 8th grade

Grayling boys basketball 7th grade team and 8th grade team swept Kalkaska at home on January 25th. The 7th grade won 34-11 and the 8th grade won 50-22.

Scoring for the 7th grade were: Craig Hudson 6 points, Chris Skidmore 6, Bud Ostrowski 6, Rusty Argue 4, Mike VanHill 4, Derrick Christman 2, Ted Baynham 2, Marty Jung 2, and Tim Permie 2.

While scoring for the 8th grade were: Jeff McClellan 11 points, Jeff Palmer 9, Todd Hull 8, Dave Myers 4, Steve Lehti 4, Jeff Wolcott 3, John Cross 3, John Schilbe 2, John Kinnee 2, and Steve Ross with 2.

The team will play next week on Monday, January 30th, at Gaylord St. Mary's. On Wednesday the teams will play Houghton Lake.

The General Motors Technical Center, of Warren, Michigan, has selected unused portions of the taxiways at Grayling McNamara Airport as the site for testing experimental design concepts.

Staff Project Engineer, Jerry K. Williams, stated: "The taxiways and facilities at the airport offer us an ideal opportunity to test experimental drive-train design concepts in pure snow conditions. The snow cover

conditions are perfect, and we needed a test track just such as this. The surface must be free of applied road salts and gravel in order to get the data required in evaluating these experimental design concepts."

Mr. Williams also indicated that the current series of testings could extend through the first week in March if the snow conditions and temperature ranges remain within acceptable parameters. During

these tests between five and ten members of the GMC staff will be temporarily relocated into Grayling. These people will include project engineers, test drivers, and supporting staff members.

If this year's test results provide the type of data being hoped for, General Motors Corporation may possibly use the airport's taxiway facilities in the future for winter condition road tests.

of Corrections by a 7-0 vote at their Jan. 10th meeting.

In board news from their Jan. 26th regular meeting, Commissioner John Miller reported the county has saved about \$84,000 in three years by switching to a self-insurance plan. Miller said the credit for the savings goes to the county employees who have done an outstanding job following safety procedures. Crawford County recovered about 45 percent of its money paid into a municipal risk program because of a low amount of claims. Most other counties in the program are only receiving about 35 percent of their money back.

In other news, Sheriff Joe White reported the union representing sheriff deputies has filed two grievances against the county. One grievance deals with the county not replacing a deputy who left Jan. 13, and the other deals with the condition of patrol cars.

In action at the Jan. 26th meeting, the board passed a resolution opposing a state senate bill that seeks to exempt recreational property from school taxes.

County chairperson Jeanette Kitchen said the bill would devastate the northern part of the state and Crawford County - where as many as one half of the taxpayers own recreational property.

The resolution, offered by Mary Harland, passed 6-1. Bud Joyce, who is also president of the Lake Margrethe Property Owners Association, supported the resolution.

Don Welser, the nay voter, said the school tax system will never be different until we force the state to change funding of education. He said this bill would force the legislature to change the current system.

Kitchen said she didn't think this bill would bring the changes beneficial to Crawford County because the largest portion of school districts wouldn't be affected as severely as Crawford AuSable. She said the largest number of voters are in the south and they're the ones pushing this bill.

Stargazing

A sensitive telescope, developed for space experimentation by the University of California's Space Sciences Laboratory at Berkeley, was on board Spacelab 1 as part of the U.S. space shuttles first orbiting scientific laboratory. The telescope's role during the flight was to detect far-ultraviolet light from young stars, dying stars and the cores of distant galaxies.

Award Winning Outdoor Films To Be Shown Here Saturday

The Michigan Outdoor Writers Association will be presenting three award-winning films on outdoor life Saturday, Feb. 4, at 7:30 in a conference room at the Grayling Holiday Inn.

The three films - winner of the Teddy Film Awards - are "Born to Run", which traces the life cycle of the Prong Horn Antelope in the American West, "Guarding Our Living Environment," a Missouri Dept. of Conservation film about balancing human development and environment, and "A Fish for All Seasons," which details steelhead, salmon, and trout fishing in British Columbia.

A donation of \$1 will be asked at the door which will be given to the Crawford County Community Services Christmas Program.

Please call the Center if you're missed in the calling 348-9314.

New bulletin will be out at the Bank and Post Office.

Happy Birthday to Elida Beards Feb. 1st, Irene Cram and Kenneth Brandes the 8th, Marie Mallinger, called Grannny was 103 last Friday, Jan. 27th of Higgins Lake, now a resident of Timberview Village.

Congratulations to Robert and Lisa Howden on their daughter Ashley Renee, born January 14, 1984 at Mercy Hospital in Grayling. She weighed 6 lbs. 7 ozs. Grandparents are Mrs. Irene Bach of Grayling, Mr. and Mrs. Chuck Howden of Frederic. Great grandparents are Mrs. Nettie Shell of Bloomington, Indiana, Mr. and Mrs. Clara Rood of Omer and Tom Howden of Sterling.

January 7th a baby shower was given to Lisa Howden by her mother-in-law, Mrs. Chuck Howden at Lisa's home in Grayling. Nineteen ladies were present. She received an assortment of useful baby items. Games and refreshments were enjoyed by all, and especially Mrs. Chuck Howden, delicious homemade pies.

Congratulations to Dan and Dee Verlinde on their marriage, January 11, 1984. Dee is the daughter of Jess and Darlene Owens of Farmington Hills and Dan is the son of Jim and Barb Verlinde of Frederic. The couple are making their home in Farmington Hills.

The community wishes to extend their sympathy to the family of Ivel Hopkins, brother of Esther Weaver.

Vikings Win Pair

Grayling used a balanced scoring attack to nip their southern neighbor Roscommon 52-50 and defeat league doormat Petoskey 53-46.

Grayling will try to extend their streak Friday at home against Boyne, who also is having a rough year in the league.

Against Roscommon, the Vikings threatened to run away with the game early taking a 16-6 first quarter lead. Grayling used their height advantage to get off inside shots and they also connected from the outside.

Roscommon fought back to 26-18 at half and 38-35 at the end of three quarters. Coach Butch Hayes said Grayling took poor shots while in the lead. The Vikings also shot only 4 for 11 from the line, but somehow hung on until the end when Wayne Ross hit a jumper from the middle with three seconds to go to win.

Hayes said Ross and Rod Patterson were excellent on the boards and Jim Stewart and Jon Nicholas played good games. Ross and Stewart led Grayling with 10 points each, Patterson had 9, Nicholas 8, Mike Hickey 7, Dave Zigala 4, and Paul

Hamlin 4. Ross and Patterson had 11 rebounds each to help give Grayling a 39-33 edge.

Against Petoskey, the Vikings used a 15 for 25 night from the free throw line to win as both clubs hit the same number of field goals.

Grayling led 10-8 after one quarter and was behind 24-22 at the half. Grayling outscored Petoskey 13-8 in the third quarter and then scored 12 of their 18 fourth quarter points from the free throw line. Stewart led the shooting hitting six of seven shots in the fourth quarter.

Ross led in scoring with 18 points, led the teams in rebounds with 8, and added 3 blocked shots to give him a season total of 55. Stewart added 10, Patterson 7, Nicholas 7, Mick Lovely 6, and Hickey 3.

The J.V. squad also defeated Roscommon but lost to Petoskey. Against Roscommon in a 54-38 win, Forkum scored 18, Hudson 15, Duncan 8, Nielson 4, Klinger 4, Casler 2, Somerville 2, and Whaley 1. In the 55-31 loss to Petoskey, Forkum hit 11, Nielson 6, McEvers 6, Klinger 4, Somerville 3, and Young 1.

## Grayling Elementary School News

On January 11, 1984, Mr. Britton, a band teacher from the Crawford AuSable Schools came in and gave the fifth grade class a music test. He did it to see if the kids had any rhythm or pitch. He gave it to the fifth grade Frederic students too. He came to Mrs. Bovee's class at two o'clock. By Heather Garnett, 5th grade.

Mrs. Bovee's class had a visitor Friday, January 20, 1984. Mr. Thayer from Kirtland Community College came to our class to show us a little bit about electronics. He brought a robot named Hero 1. They came at nine o'clock in the morning. He demonstrated his arms and how they moved. He also demonstrated his light sensor, if you put your hand in front of his eyes he'd say "Move object, I can't see." He showed us his hearing sensor. If you talked loud he would say "Be quiet, I'm trying to sleep."

He talked a little bit more about it then he took off his panels so we could see what he was made of. There were lots of control boards and other things. Back a little ways I was telling you about the hearing, well, when he took the cover off there were little red lights blinking on and off. He said every time someone talks the lights blink on. Written by Aaron Millikin, 5th grade.

A person whose premises are searched should receive both a copy of the search warrant and a signed inventory of any property seized.

A decision of The Supreme Court can only be reversed by an amendment to the Constitution or by the Court itself, if it later changes an earlier decision.

### Consent Agreement Reached On State Prisons

Warren M. Hoyt, Executive Director, MPA

A consent decree with the U.S. Department of Justice, requiring \$30 million in improvements to Michigan's three largest prisons over the next three years, has been approved by the state Corrections Commission.

The action came after Attorney General Frank Kelley said the decree represents the first time a state has negotiated a settlement with the federal government in improving prison conditions.

Negotiations with the Department of Justice began last year.

John Smietanka, a Grand Rapids U.S. district attorney, said the agreement was an effort to recognize the "rights of prisoners and to recognize the State of Michigan has principal responsibility for running the prisons in a constitutional manner."

The Corrections Commission was told by Assistant Attorney General Andrew Quinn that the final order was not substantially different than a proposed agreement reached last October.

The most significant difference dealt with the state reporting of the changes it will make at the Southern Prison at Jackson, the Michigan Reformatory at Ionia and the Marquette Branch Prison.

Under the agreement, the state will keep reports on improvements and corrections to the facilities and the federal government will have power to inspect the prisons and review the reports.

Originally, the reports were to be sent by certain deadlines to the federal government.

Under the decree, the state has created an improvement plan which will spend about \$10 million on improved medical care, \$9 million on sanitation improvements, \$5 million on fire safety and \$5 million to reduce overcrowding.

Additionally, the decree will provide greater inmate protection by separating offender groups from each other, requiring indoor exercise areas and increasing activity time outside cells and requiring larger

cells for segregated prisoners, a provision which will require substantial modifications at Marquette.

Those improvements include additional lighting in each prison, pest and vermin control, hiring of environmental sanitarians in each prison, improved ventilation, increased medical staff, cleared exits for fire escapes, smoke detectors and fire extinguishers in cellblocks and galleries, widened hallways, improved solitary confinement cells and guaranteed access to law libraries.

The order also provides for hiring staff for a new \$18 million hospital being built at the Jackson prison, which was ordered under another court decree.

The plan includes specific time-tables by which different improvements must be accomplished. Many of the first activities include developing plans for the final projects.

For example, the decree requires that within 90 days of adoption of the order by the federal court, a solid waste plan must be developed, within 60 days a plan for adequate health care access must be developed, in 60 days the department has to unblock all fire exit areas and within 120 days it must install fire extinguishers and sprinkler systems.

Corrections director Perry Johnson said he will submit soon to the legislative Appropriations Committees a request for a \$9 million supplemental for this fiscal year.

Kelley said the Legislature will not have much flexibility in altering or disregarding the spending proposals as the decree will become an order of the U.S. District Court.

The decree followed a federal investigation into conditions at the prisons following riots which occurred at the three facilities in 1981. Kelley said federal action might have been forestalled had voters in 1980 approved a proposal to raise the income tax to build new prisons.

## Mercy Hospital Donates Car Seats to Sibs for Kids

**MERCY HOSPITAL DONATES**—Tamela Perkins (left) leased two of the 12 infant seats donated by Mercy Hospital to the Grayling Sibs for Kids program. Making the presentation is hospital administrator Sister Mary Ellen Howard.

Mercy Hospital in Grayling last week donated 12 infant car seats to Sibs for Kids, a local non-profit organization established seven years ago to match youths from single parent homes with adults to serve as big brothers or big sisters.

Sibs for Kids expanded their operation a year ago when they began offering infant car seats to families in the area on lease purchase or rental purchase agreements.

Helen Campbell, director of Sibs for Kids, who accepted the seats from the hospital said the organization gave out 13 seats last

year under the program and is facing present and future demands beyond their abilities to supply.

Besides supplying seats, Mercy Hospital will be assisting Sibs for Kids in raising funds for additional seats, and in providing information and education to new parents in their service area. Deryl Holmes, director of public relations at Mercy, said the hospital will be playing an ongoing supportive role in the infant car seat program with Sibs for Kids.

Under Public Act number 117 enacted in April of 1982, "a driver transporting a child in a motor vehicle shall properly secure each child in a safe child restraint system if the child is under age four." Failure to comply with the law can result in a \$10.00 fine.

Lieutenant Erick Rusak, Post Commander of the Gaylord Post, of the Michigan State Police, said the law is being enforced, and tickets are being issued. He added, however, the fine is only \$10.00 and not meant to punish parents or drivers,

but to insure the safety of small children who are unable to make responsible decisions about safety on their own.

More information can be obtained on the infant car seat program by contacting Mrs. Helen Campbell at the Youth Services Bureau on West M-72 at 348-2841 Ext. 262.

#### Mechanic Clinics

Certified auto mechanics and mechanic trainees from Crawford, Gladwin, Kalkaska, Missaukee, Ogemaw, Oscoda, Roscommon, and Otsego counties will have the opportunity to update their repair skills at two total alignment and suspension clinics for front wheel drive vehicles on February 10 and 11, at Kirtland Community College.

The clinics will be jointly sponsored by Bea Equipment Company and the college in cooperation with the Bureau of Automotive Regulation of the Michigan Dept. of State.

In announcing the clinics, Secretary of State Richard H. Austin said they are part of a "unified statewide effort" by the automotive industry including the after-market companies, auto manufacturers, dealers, service station, repair & parts manufacturers, educational institutions and the Bureau of Automotive Regulation, to help mechanics update their skills in the newest automotive repair technology.

Austin said all mechanics and trainees in those counties are invited to attend.

For additional information call (517) 275-5121 extension 270.

Course content includes hands-on training in total alignment on front wheel drive vehicles and Constant Velocity joints.

## Hemm-Nichols Speak Vows

Miss Joyce Marie Hemm, daughter of Mr. and Mrs. Vern L. Hemm of Quincy, Illinois, and Frank William Nichols, son of Frank H. Nichols of Whitmore Lake,

Mi., and Vivian Nichols, of Utica, Mi., were married at 2 p.m. on October 1, 1983.

The ceremony was performed by Rev. Tom Molby of the Free Methodist Church with a reception following the service.

The bride was given in marriage by her parents. Maid of Honor was Sherry Cookson. Best man was Frank H. Nichols, father of the groom, and usher was Michael Nichols, 9-year-old brother of the groom.

The bride is a 1981 graduate of Quincy Notre Dame High School. The groom is a 1979 graduate of Grayling High School, served in the Army from 1979-82, receiving the Good Conduct Medal, and both are currently employed in Quincy.

## Al Bransdorfer Elected MPA President

Alfred R. Bransdorfer, editor and publisher of The Clare Sentinel, has been elected president of the Michigan Press Association for 1984.

Bransdorfer succeeds Herbert M. Boldt, assistant to the managing editor of the Detroit News.

Boldt assumes the immediate past president position of the MPA executive board of the statewide association representing 51 daily and 248 weekly newspapers throughout Michigan.

Bransdorfer began his 33 year newspaper career at the Holland Sentinel in 1951 as a reporter-photographer before serving as city editor for 8 years.

He served as editor of the Mt. Pleasant Times-News (now Morning Sun) before entering the weekly field in 1968 as publisher of the Reed City Osceola County Herald.

He also served as publisher of the Lake City Waterfront and co-owner of the two weeklies before becoming publisher and owner of The Clare Sentinel.

A native of Lansing, he graduated from Lansing Sexton High School in 1944. He then served in the Navy in World War II, serving overseas in the South Pacific.

After military service he attended Michigan State University where he received a bachelor's degree in Journalism in 1950.

He is past president of Michigan Newspapers, Inc., a business affiliate of MPA and presently immediate past president.

He is a past president of the University Press Club of Michigan, charter member and past president of the West Michigan Chapter of Sigma Delta Chi, professional journalism society; member of the Clare Rotary Club and past president of the Reed City Rotary Club.

Bransdorfer and his wife Mary Hacklander, are the parents of three children, Alfred, a senior at Central Michigan University, Elizabeth, a junior at Michigan State University and Steven, a freshman at Mid Michigan Community College.

## Doodles From The Tall Timber

Wendell L. Hoover  
Park Interpreter

We humans count years to determine our ages and seem reluctant to admit to more than just a few. It is difficult to tell how old a person is just as it is with a tree. Diameter is not a good yardstick when looking at a tree, whether it be an oak or a pine. We all know that a tree produces a dark growth ring during the summer and a lighter growth ring during the spring. An increment tool is used to determine a tree's age without having to cut it down. An increment tool is a hollow drill which allows the user to remove a small core of wood from the tree. By counting the dark lines on the core sample, the tree's age may be known. The resulting hole in the tree (very small) has its opening plugged with a tar-like substance to prevent the entry of insects and moisture.

Not all, but many fish can be aged by counting the growth ridges on the scales. During the winter, a fish's growth is slow and the ridges are crowded and it is these ridges that are counted. Fish without scales pose another problem, but the bones in some cases show growth rings. The spine along one edge of the fins in a catfish show annual growth rings similar to a tree.

To accurately determine a deer's age, the cementum layers of the roots of the teeth are examined. To be really precise, a very thin slice must be taken from a tooth to be examined under a microscope.

Even turtles reveal their age to some degree since some turtles have annual lines on their top and bottom shells. These lines are not totally accurate after a turtle reaches the ten or twelve-year mark.

## Meaker-Liebzeit Vows Spoken

In a candle lit Michelson Memorial United Methodist Church on December 22, 1983 at 6:00 in the evening, Ruth Ann Meaker, formerly of Grayling, and MSG Harry M. Liebzeit (ret.) were united in marriage by Rev. Jeffery Regan. The bride wore a full length, lace trimmed dress in off-white and carried a bouquet of silk ivory mums and peach colored tea roses. The groom was attired in his U.S. Army dress green uniform and the couple were attended by Jacqueline and William J.

Bonkowski of Grayling. The bride's mother, Mrs. Robert Meaker, wore a floor length dress of shimmering olive green and a corsage of silk tea roses.

Following the ceremony, a number of friends and relatives braved sub-zero temperatures and blowing snow to enjoy refreshments at an Open House held at the home of the bride's mother. After the Christmas holidays the couple returned to their home in Bloomfield Hills, Michigan.

#### Editor's Mailbox

Crawford County Cross Country Ski Area (a tentative name) Development Project. by Gustaw Konopnicki.

Rough Draft - subject for approval by concerned parties.

Concerned parties - All of the businesses private and public in the Crawford County area likely to benefit now, or in the future, from the increase in the volume of cross country skiers in the area. These may include the following categories:

1. Ski Resorts and Trails. Partial list would include a. Hanson Park b. Hartwick Pines State Park, c. Forbush Corner

2. Cross country retail stores.

3. Motels and Hotels

4. Restaurants

5. Service stations

6. Any other business benefiting or likely to benefit from the increased volume of cross country skiers.

In the last couple of years the cross country skiers volume has increased

dramatically. The White Pine Stampede, for instance, grew from 91 in 1977 to over a 1,000 in 1984. Hanson Hills, Hartwick Pines State Park, Forbush Corner as well as other concerned businesses would attest to this tremendous explosion.

In such an unusual situation being parochial would not do. I do not believe that any of those businesses would benefit one iota by acting on its own behalf, financing its own promotional campaign, trying to wrestle the customers away from its competition, etc., etc. Everyone would benefit from an expanded volume and when the volume is expanding that fast, everybody gets a bigger share.

What I am proposing to do is to activate a coordinating body to pull all of our resources together in the following areas:

1. Promotion - putting Crawford County area on the map of Michigan and beyond, capitalizing on the recent "Say Yes to Michi-

gan" campaign, utilizing the facilities of Tourist Bureau, and with the increased volume and operating budget, hit the best potential areas (Ann Arbor, Ypsilanti, East Lansing, suburbs of Detroit) with a promotional campaign of talks, films etc., in my experience the brochures end up in a trash can!!

2. Facilitating services in the area for tourists, ex. Dial-A-Ride, motel restaurants info, soliciting the help of Forestry Division of the DNR in order to extend and coordinate the trail system in Crawford County, and any other idea that would do the job. The body doesn't have to be a new one. A committee on the existing Chamber of Commerce will do nicely.

This proposal will circulate in the Crawford County area among the above (would be) concerned parties. It would be advantageous if we don't lose much time deliberating and procrastinating and start as soon as possible, perhaps catching some of this season's business, if not, laying a firm ground for the next year.

Each contacted business, please give your reply, reaction, suggestions, etc., etc., to me: Rt. 5, Box 5089, Grayling, MI 49738. Telephone: Mon. thru Thurs. 1:00 to 9:30 p.m. 348-5443, otherwise 348-7376 (home), if you're lucky!!

Can we have a meeting of minds as soon as possible!!

#### Lions-Mercy Hospital Sponsor Diabetes Exam

The Grayling Lions Club and Mercy Hospital will be co-sponsoring a free diabetes blood exam February 22 in the lobby of the hospital between 12:30 p.m. and 3:30 p.m.

Bruce King, education coordinator for the hospital, said even though diabetes is a common condition, many people who have diabetes are not aware of it because symptoms are not always noticeable.

Mr. King requests individuals coming for the test to eat a large lunch two hours before the exam. Their lunch should include foods high in starch (carbohydrates) content such as bread, pasta, crackers, juices or milk. It is critical to not eat, drink (other than water), smoke, chew gum or candy until the blood sample is taken.

Persons who have an increased chance of developing diabetes are especially encouraged to attend. These people include those with a family history of diabetes are over weight, beyond 40 years of age, under a lot of stress or women who have given birth to a baby weighing in excess of 10 pounds.

You should also attend if you have had any of the following symptoms in the past few months: Excess thirst and urination, marked increase in appetite, slow healing, itching, changes in vision, unusual weakness, or marked weight loss.

Mr. King emphasized that the test is not for known diabetics. The test will only take a few minutes to complete, so you are encouraged to attend if you think you might have diabetes.

This program is offered

through the Lions and Mercy Hospital four times per year. If you have any questions please call the Health Information Resource Center at Mercy Hospital, 348-5461 Extension 172.

#### Substance Abuse Meeting Feb. 6th

## Marketing Hospitality Seminar Here

Great news!! Marketing Strategy will be added to the Hospitality Seminar scheduled for February 14th.

After a personal interview with our Marketing/Hospitality expert, Ed Mahoney, he feels that with all the small business in our area it would be advantageous to incorporate the Marketing aspect of Small, Commercial and Recreational business.

This one day seminar will begin with our own slide presentation of "The Grayling Story" which Mr. Mahoney will critique and give suggestions on improving our overall image.

We are excited to have Mr. Mahoney with us. He is assistant professor and extension specialist at Michigan State University, Dept. of Parks and Recreation resources. Mr. Mahoney has his P.H.D. in Economics and Marketing, Michigan State University. He started his present position at M.S.U. in January, 1983. His principal responsibility is assisting communities in small business development and tourism.

This seminar will primarily stress Marketing and Advertising Strategy, and Industrial and Commercial business. Learn how to I.D. your Marketing, Price Distribution, and Developing the Product. External Marketing: Attracting New Business. Internal Marketing: Promotion, Advertising and Hospitality Facts.

Chairman Norma Naour remarks, "The Chamber is extremely pleased to bring this fine speaker and program to its members and the community at large. Mr. Mahoney will be a real asset to our business and recreational people. Let's show him we appreciate his efforts with a large attendance. See you there!"

The seminar will be held at the Grayling Holiday Inn, Tuesday, February 14th. Registration, coffee and donuts at 9 a.m. The day should end at 3 p.m. Cost will be \$10.00 per person including lunch.

Please contact the Chamber of Commerce office.

## Spikes Hit 101 Points

The Spikes Keg O' Nails independent basketball team shot its way to a 101-83 win over a Gaylord Mark One team Sunday.

Bruce Burkett scored the first seven points for Spikes as both teams couldn't miss in a high scoring first quarter.

Spikes took a two-point lead into the third quarter when Craig Hinkle broke open the game. Hinkle, connecting on mostly 20-foot jump shots, scored eighteen of his game-high 34 points in the third quarter.

Jim Tobin added 14, Burkett had 13, Dale Papendick 10, Jon Thompson 7, Louis Madill 6, Tom Coors 6, Dwight Walker 6, and Barry Ewing 5.

The next game scheduled for Spikes is against a Cadillac team in the Grayling Winter Sports Carnival basketball tournament at 2:15 p.m. in the middle school gym, Saturday, Feb. 4.

Another Grayling team, led by former GHS stars Bill Roach and John Juntilla, will open play in the double elimination tournament at the Grayling High School Saturday.

No admission is being charged for the tournament sponsored by the Grayling Youth Booster Club.

## 2 Matmen Win Titles At Breckenridge Meet

Tom Sorenson ran his streak to 15 straight pins and Borsie Cross won his 23rd match of the year as both were crowned champions at the Breckenridge Invitational Saturday.

Sorenson won the heavy-weight title and now has a 15-1 record since returning from an injury midway into the season. Cross won the 185-pound division to improve to 23-2 for the year.

Ron Wyman ran into a questionable call at the end of the final match and had to settle for second place. With the score tied 0-0 with three seconds to go, the referee awarded Wyman's opponent a point because Wyman didn't have his hand on the line. Wyman dropped to 32-6

for the year after the loss. Tim Moore took a third and improved his record to 25-8.

Grayling placed fourth at the tournament. In matches last Thursday against Roscommon and Gaylord, the Vikings defeated their league rival Gaylord 37-29 but lost to Roscommon 45-17.

Against Gaylord, the outcome of the match came down to Lance Davis, wrestling at 198 pounds for Grayling. Davis needed to tie or win for Grayling to win and he came through with a tie.

Also winning was Sorenson, who pinned his opponent in eleven seconds, Cross, Wyman, Montforton, Claude Halstead, and Mike Keene.

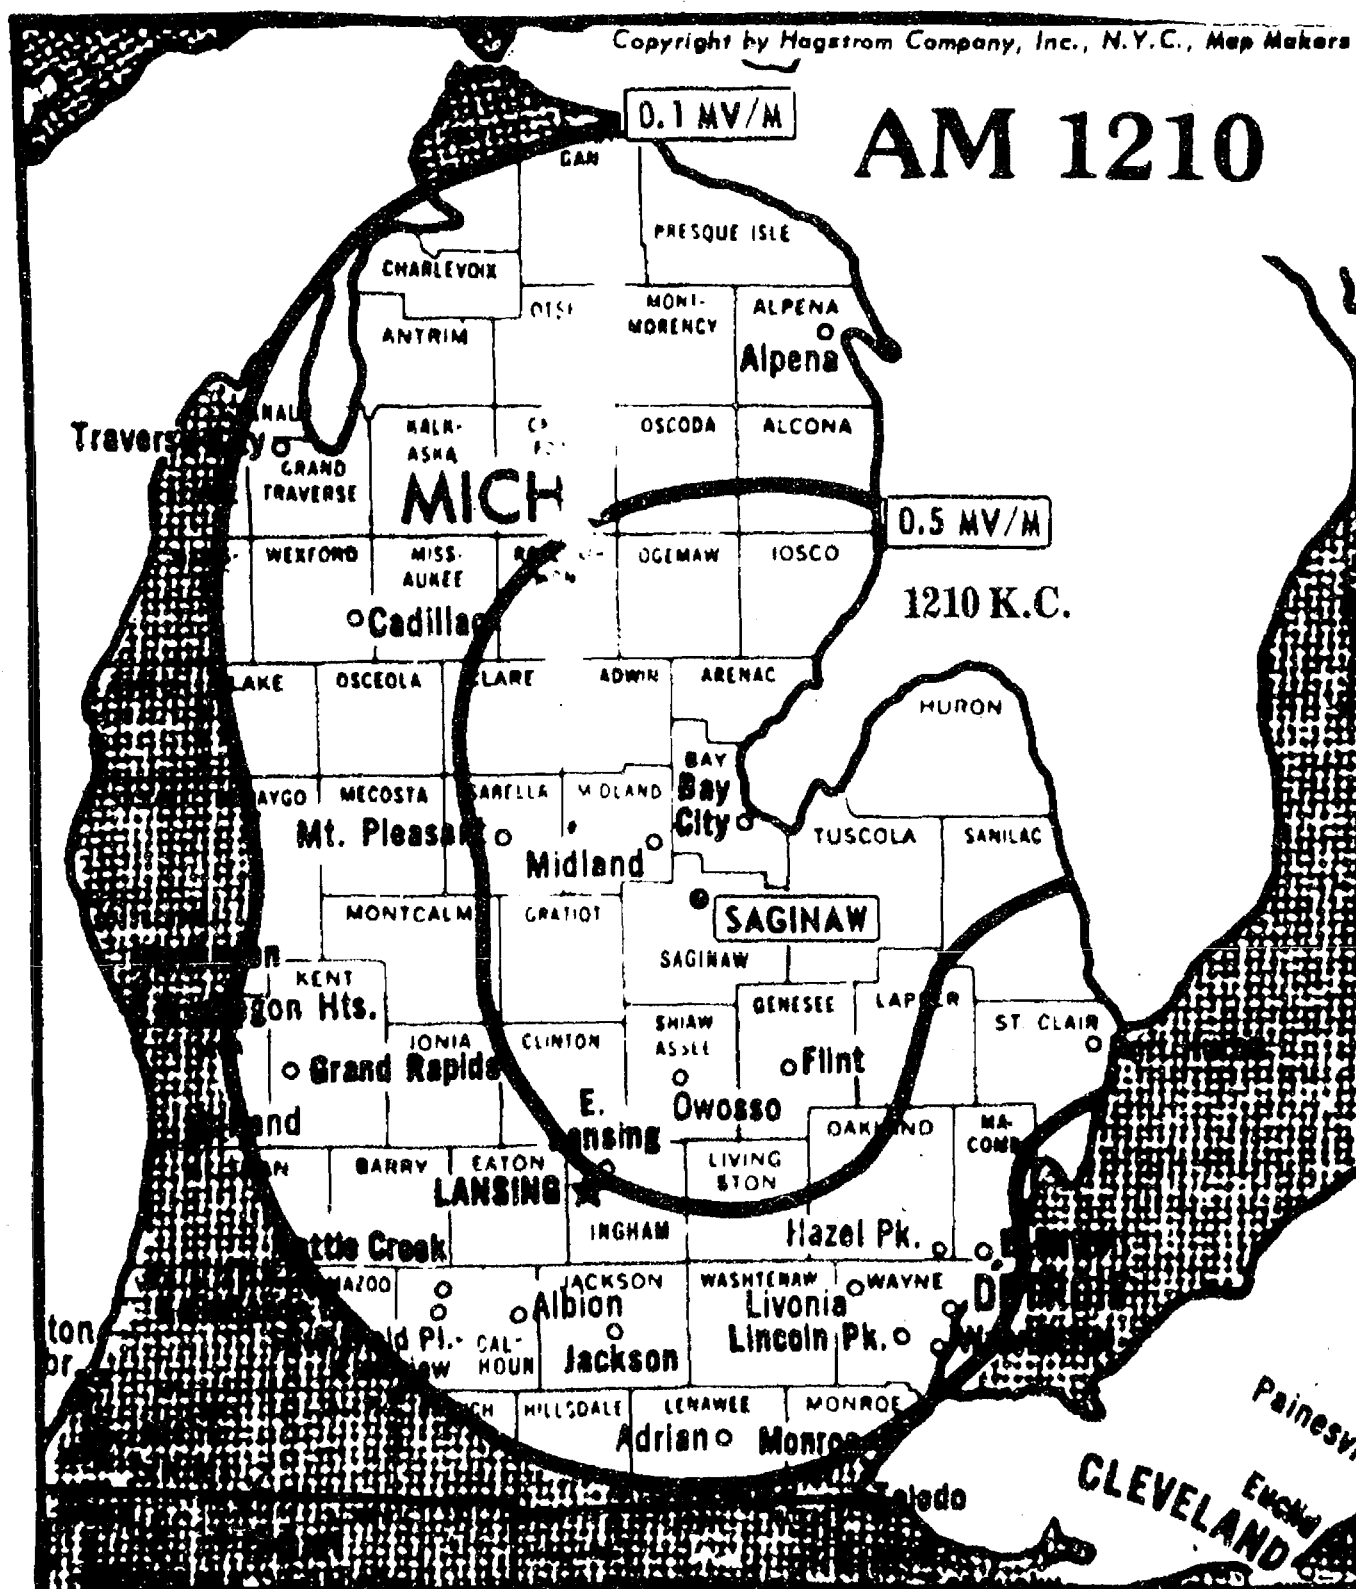

Winning against Roscommon were Sorenson, who again pinned his opponent in eleven seconds, Cross, Wyman, who pinned his opponent in one minute and 24 seconds, and Moore. Grayling forfeited two spots in each match.

The Vikings travel to Onaway for a make-up match with Onaway and Sault Ste. Marie Wednesday. Saturday they go to St. Ignace for the conference meet.

Deposit what you can each year. And, there isn't an obligation to make deposits each year.

Stop in, we have the answers to your questions and an IRA program to meet your needs.

As a wage earner, you can deposit up to \$2,000 of your wages in an IRA. \$2,250 if your spouse is unemployed and \$4,000 if both you and your spouse are wage earners. By deducting the amount you deposit in an IRA from your earned income, you pay a lot less tax now and may well fall in a lower tax bracket.

Not only is your IRA investment tax sheltered, the interest earned is tax deferred until retirement. Your IRA account will continue to earn interest on interest, year after year, assuring you of the funds needed for a happy retirement.

Every wage earner, every self employed person, everyone married to a wage earner or self employed person is eligible for an IRA.

Federal regulations require a substantial interest and tax penalty for early withdrawal.

## Arts Council Contributes for Dance Ensemble

The Crawford County Arts Council contributed funds to bring the Interlochen Arts Academy Dance Ensemble to Grayling for a student performance. Responding to a request by Grayling Elementary Principal Melvin Nunn, the Council donated \$100 for the dance troupe to perform on Tuesday, January 24, at the Middle School for children from both elementary schools.

The Council welcomes requests which would enable it to provide assistance for the support and promotion of events in the visual and performing arts. People having such requests can attend one of the monthly meetings, held on Tuesdays, at 7:30 p.m., in the Community Room of Northern National Bank.

In other Arts Council news, the Arts Center dance program is in swing for the winter semester classes, and students are beginning to prepare for the June recital, which will feature the ballet, "Snow White."

New students, from preschool age to adults, are invited to join classes at any point throughout the semester. To enroll, call CCAC Treasurer Gerry Yates (348-8322) between 9:00 a.m. and 5:00 p.m. from Monday to Friday.

An open house was held for them by their children Saturday evening, January 21, at 7:00 p.m. Guests were from Montana, Chicago, Mt. Clemens, Marshall, New Baltimore, Saginaw, Roscommon, Grayling and Frederic, also from Gaylord and Lansing. They received many many nice gifts.

## Crawford-AuSable Parents Group

Superintendent of Schools Kent Reynolds will be the guest of the Crawford-AuSable Parents Group at their meeting on Wednesday, February 8th at 7:30 p.m. in the County Courthouse.

Mr. Reynolds will give a brief description of the major developments taking place in the Crawford-AuSable School District. Following the presentation, participants will have an opportunity to discuss key issues regarding the schools with the superintendent in an informal atmosphere.

All parents and interested citizens are welcome to attend this and all meetings of the Crawford-AuSable Parents Group. The main purposes of the group are to foster good communication among the home, school, and community, and to assist in providing positive experiences and activities for school-aged youth.

For more information, please contact Ann Stephenson or Marilyn Rosi.

## Grayling Co-op Nursery

January this year has brought much snow and our Nursery School children had a chance to enjoy it together. The classes spent some part of their class time sliding on their garbage bags at Hanson Hills. The boys work well for little ones. After sliding, refreshments were enjoyed in the warming house provided by assisting parents. It was a fun day for all who went.

The morning classes went on a tour of Dr. Fenn's Dentist office. This provided them the opportunity to see the inside of a dentist's room and get acquainted with the surroundings which can alleviate the fear in small children. It was an experience that was enjoyable as well as informative.

The next couple weeks will be busy in preparing for Valentines Day and decorating their shoe boxes for the Valentines party.

# "The Matchmaker" on Stage Feb. 10-11

The Grayling High School Players will present Thornton Wilder's rowdy farce, "The Matchmaker," on Friday and Saturday, February 10-11, at 8:00 p.m. in the Joseph Stripe Auditorium of Grayling High School.

"Matchmaker," the play from which the musical, "Helly, Dolly," comes, is the story of a wealthy, but tight-fisted, widowed merchant, Horace Vandergelder, who - with the help of matchmaker Dolly Levi - intends to marry a second time. While Horace makes his plans, his two clerks, Cornelius and Barnaby, plot to break away from the store for a one-day vacation. Much of the play's humor comes from the two timid clerks frantically trying to avoid their employer as they gallivant around New York City in search of adventure.

Meanwhile, Vandergelder hires a third clerk, Malachi Stack, who adds to confusion. Stack is played by GHS Players veteran Troy Haag, a senior and the son of William and Sherry Haag.

In school, Troy enjoys computers and Spanish; and his outside interests include canoeing, cooking, watching old and new movies, as well as acting in the last five GHS productions. Next fall, Troy plans to attend Central Michigan University, and he hopes to become a professional actor.

To further complicate matters, Horace's niece, Ermengarde, has fallen in love with artist Ambrose Kemper, to whom her uncle

is bitterly opposed.

Creating the role of Ermengarde is freshman Debbie Schanz, daughter of Don and Rae Ann Schanz, and a newcomer to the GHS stage. Debbie enjoys a wide range of school subjects, from math to English to Spanish; and when she's not rehearsing for the play, she practices the piano, reads, writes, swims, does counted cross-stitch and aerobic dancing. She is an accomplished pianist who will perform several piano numbers from the 1980's for the audience before the curtain opens each evening.

Ermengarde's artist, Ambrose, will be played by sophomore Jeff Martinez, son of Rudy and Roberta Martinez. Jeff is a veteran of two years of Kids' Theatre and performed in two GHS productions during his freshman year.

He enjoys golfing, skiing, and stamp collecting, as well as participating in theatre and forensics activities. Jeff's favorite school subject is health, and he hopes to pursue a career in the medical profession.

Amidst all the confusion, the characters find their way to the home of Flora Van-Huysen, a mutual friend of Horace and Dolly. There, everything is further complicated and in the end, of course, straightened out.

In the role of Miss Van-Huysen is sophomore Kathy Allen, daughter of Richard and Mary Allen. Kathy has been in every GHS production since her freshman year, with perhaps her most notable part being that of Ethel Thayer in "On Golden Pond".

While not on the stage, she enjoys being with friends, writing, and collecting static cling. Kathy plans to attend Notre Dame, where she will study medicine or education.

Tickets to "The Matchmaker" can be purchased for \$2.50 from any cast or crew member. Admission at the door on performance nights will be \$3.00.

## Committee For Artrain Visit Organized

The Artrain Committee held its organizational meeting last week in anticipation of the April 8-12 visitation of the train to Grayling.

Committee chairpersons selected for the event include: Education - Nancy Lemmen, Lynn Thompson; Facilities, George Morse; Finance, Donna Masker, Gary Rousseau; Promotion, Don Geiss; Services, Sherry Haag; Protocol, Hertha Laupmanis. Artrain co-chairpersons Jerry Yates and Joe Wakeley indicated that there are individuals already assigned to work on the committees but any interested persons are welcome to contact the chairpersons directly or attend future meetings.

According to Wakeley, the committee has received a total of \$1,500 from Grayling State Bank, Gaylord State Bank, Northern National Bank, The Grayling Youth Booster Club, Grayling Rotary, Grayling Regional Chamber of Commerce, and The Crawford County Arts Council. He noted that an additional \$2,100 in cash or services and supplies must still be raised by the Finance Committee. He said that other civic groups would be approached in the effort to obtain the necessary cash and businesses will be asked to supply in-kind services and supplies.

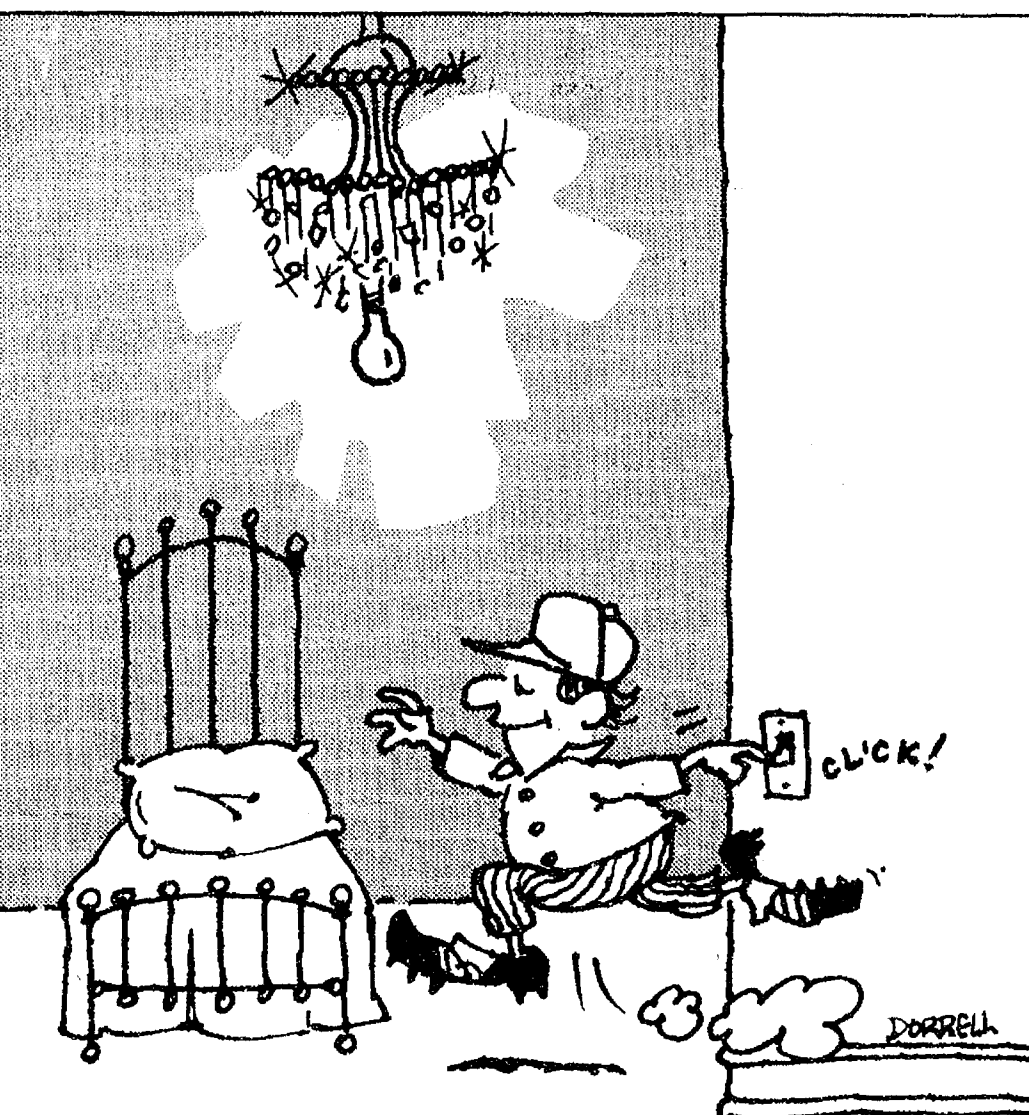

The committee agreed that daytime hours for the Artrain will be reserved for school classes and organizations. The exhibit will be open to the public from 5-8 p.m. on April 9-12 and from 12-8 p.m. on April 8.

It was voted that the closest community having the Artrain this year will be West Branch and as a result the scope of the audience for this area can be from Mio-Fairview, Gaylord, Roscommon and Houghton Lake. Although the train was at Gaylord two years ago, the exhibit is an entirely new one now.

The next meeting of the committee is planned for February 9 at 7:30 p.m. in the Community Room of Northern National Bank.

## Electricity: Instant Energy

Electricity, we can all agree, is instant energy.

There was once a baseball player who, the story goes, could flick the switch on the wall in his hotel room and be in bed before the light went out. That's quick. The Tigers could use him.

But, save for that one fellow, there are few among us who can outrace electricity.

We might also agree that electricity is our lifeline to comfort and convenience. Don't believe it? Think about living without it—without a refrigerator, a TV, lights, a vacuum cleaner..... Enough?

What we may not agree on is that electricity is a bargain.

Consumers Power Company's electric rates for residential customers are among the lowest in the Midwest and are 15 to 26 percent less than the national average, according to a national study released last summer. For a typical family, using 500 kilowatt-hours of electricity per month without water heating service, 87.7 percent of the nation's other 225 investor-owned utilities have higher rates.

That's not all the evidence. Look at effective buying in-

come. In 1963, it took 1.44 percent of your income to buy a year's supply of electricity. In 1982, it took 1.46 percent. In fact, the average middle-income Michigan family spends more each year on their insurance, their telephone bills, their vacations and even eating out than they spend on electricity.

According to computations developed from surveys conducted by the U.S. Bureau of Labor Statistics, the average family spends \$880 a year for insurance, \$523 on telephone bills, \$818 on vacations and a whopping \$1,428 eating out.

But, in Michigan the average middle-income family using 500 kilowatt-hours of electricity per month will, over a year, only pay Consumers Power approximately \$350. For their money, they get clean, instant comfort and convenience.

Is electricity a bargain? Think twice before you say "No"—even if you're not quick enough to flick the switch and be in bed before the light goes out.

## Huff-Hoag Exchange Vows

Abbie Ann Huff, and Gerald Paul Hoag were united in marriage at Michelson Memorial United Methodist Church November 26, 1983 at 6 o'clock in the evening. The ceremony was performed by Reverend Jeffery Regan and Reverend Paul Mergener, the groom's grandfather.

The bride chose a gown of white lace with Queen Anne neckline, accented with pearls, long sheer sleeves, and a tiered skirt forming a chapel length train. She carried a bouquet of white silk roses, stephanotis, and mums accented by wine lilies and angel lace. A wreath of silk roses adorned her hair.

Maid of honor was Marie Harland, and Claudia VanHill was bridesmaid, friends of the bride. They wore wine colored gowns and carried white Spanish Fans with wine roses, lilies, and white mums of silk. Flower girl was Carmen Romain, the bride's niece. Her gown was dusty rose and she carried a basket of white mums, roses, and wine lilies. They all had wreaths of flowers in their hair.

Joseph Wieland was best man, with Paul Harland as groomsman, friends of the groom. Steven Huff was ringbearer, son of the bride. They wore silver-gray long tailed tuxes. Ushers were Herbert Stephan and David VanHill.

Janet Dice provided organ music. "Up Where We Belong" was sung by Zann Lindsay and George Morse,

with Wayne Hindmarsh as accompanist. Laurel McIsaac played the guitar and sang "Truly". Altar flowers were by Laura of Main Street Florals.

The bride was escorted by her brother, Donald Romain and was given in marriage by him and his wife Sue, of Grayling. She is a 1982 graduate of Kirtland Community College and is currently a student in the Associate Degree Nursing Program.

The groom is the son of G. Vernon Hoag of Grayling, he is a 1978 graduate of Grayling High School, and recently graduated from United States Air Force Aerospace ground equipment mechanic course at Chanute AFB, Illinois. He is presently stationed at RAF Upper Heyford, England, where their new home will be.

A reception was held immediately following the service at the Grayling American Legion. Out of town guests were from Bay City, Eaton Rapids, Coldwater, Springport and Goodrich.

## Crawford County Board of Commissioners

January 10, 1984 - Regular Meeting SYNOPSIS

The January 10th Meeting of the Crawford County Board of Commissioners convened at 9:40 a.m. with all commissioners present. Eight visitors were present at various times.

### IN FORMAL ACTIONS, THE BOARD:

—Accepted the minutes of the Dec. 19th Public Hearing, Dec. 29th Regular Meeting and Jan. 4th Organizational Meeting as presented.

—Approved payment of General Fund vouchers in the amount of \$62,932.92, and a Fish Hatchery bill of \$20.00.

—Approved commissioners' salary, per diem and expenses respectively as follows: Kitchen: \$200.00, \$200.00 and none. Harland: \$150.00, \$160.00 and \$8.58. Neilson: \$150.00, \$180.00 and \$23.76. Mattis: \$150.00, \$70.00 and \$72.38. Welser: \$150.00, \$100.00 and \$2.64. Joyce: \$150.00, \$190.00 and \$15.40.

—Reviewed and accepted eighteen pieces of correspondence.

—Amended the Board's Regular Meeting Schedule, changing the first February meeting from the 14th to the 7th, and the Finance Committee Meeting from the 10th to the 6th.

—Directed Commissioner Miller to investigate alternative insurance plans comparable in benefits to Blue Cross/Blue Shield.

—Adopted a policy prohibiting any member of the Labor Committee from individually negotiating, or individually discussing negotiations with any bargaining unit, or bargaining unit member.

—Adopted a policy requiring Department Heads to submit three cost estimates to the Finance Committee with any request to purchase equipment priced at over \$100.00.

—Accepted the 1983 Fish Hatchery Report; and adopted the 1984 Proposed Hatchery Project, contingent upon DNR approval of the Land Use Permit, and approval of funding through JTPA and PIC grants.

—Approved the purchase of two typewriters for the Sheriff Dept. at a price not to exceed \$337.50 each, and one for the Equalization Dept. for \$1,077.00.

—Authorized the Finance Committee, Treasurer and Clerk to meet with MSU Economist Al House in Lansing to discuss the budgeting process.

—Authorized Consultant H. James Bourque to contact the Dept. of Corrections relative to the possibility of placing one of Michigan's eight new prisons in Crawford County. Other funding sources for jail renovation and construction are also being investigated.

—Amended a previous hiring policy, retaining the requirement that potential hires in the Sheriff Dept. undergo both physical and psychological evaluation, but omitting the section requiring job candidates to share in the cost of the latter.

—Authorized payment of \$75.00 to a citizen for damage to livestock.

—Approved registration fees and lines of credit for commissioners attending the MAC Workshop in February.

—Re-appointed Kathleen Burkley, Monica Ashton and Jerry Morford to the Special Election Scheduling Committee for 1984.

—Approved a revised Crawford/Otsego Joint Landfill Agreement, which reduces Crawford's share of funding from 38.3% to 36.3%.

—Approved payment of the registration fee for Commissioner Joyce to attend a conference in Traverse City.

### REPORTS AND ANNOUNCEMENTS:

—The Chair announced that Board Delegates to District Health Dept. No. 1 are Neilson and Harland, with Joyce to serve as alternate.

—Harland has been invited by MAC to serve on the Mental Health Committee Panel at the Legislative Workshop.

—The American Flag in front of the courthouse will be either repaired or replaced.

—The Road Commission plans to install road signs with the cooperation of townships.

—Further testimony on full-time Probate Judgeships will be taken next week.

—A new sixteen hour training program will soon be offered to member counties through the County's Self Insurance Authority.

—An inquiry will be made to the Family Practice Clinic regarding the filling of a vacancy for a Medical Examiner.

—A request from the Dept. of Commerce that boundaries of all political units be delineated and verified has been referred to the Equalization Director.

—The Building and Zoning Director is compiling estimates for insulation of the courthouse roof. Since there is presently little to no insulation, the savings in heating cost may pay for the cost of the insulation in a year.

—A company has indicated interest in constructing an electric generating plant at 4-Mile Road. The \$20 million facility would utilize waste from area plants.

—Legislation has been introduced which would authorize County Commissions to create full-time Prosecutor's Offices with salaries similar to those of District Judges.

—A request to the DSS Emergency Board for \$10 thousand for emergency food and shelter has been denied. 21 1/2% of Crawford's population is unemployed and on public assistance.

—Labor reported that the AFSCME local has requested re-opening of negotiations; the non-supervisory unit in the Sheriff Dept. is investigating a different union affiliation; and District Court employees have expressed a desire to have union representation.

### DISCUSSION ITEMS INCLUDED:

—The Prosecuting Attorney Budget. The Corporate Council line item was underbilled by \$1,148.00 in 1983. An agreement has been reached whereby the balance due will be distributed over monthly installments until the 1983 deficit is determined.

—Condition of vehicles and personnel shortages in the Sheriff Dept. Cost of leasing versus purchasing of cars was reviewed; and reconditioning of those with over 100 thousand miles was deemed inadvisable. A rotation policy for new cars was suggested, along with the need for continuous preventive maintenance, periodic review of defensive driving skills by officers and installation of devices to monitor gas intake per vehicle. Personnel shortages resulting from recent terminations and the present freeze on hiring was referred to committee, as was the question of whether marked patrol cars are mandatory. Also discussed was the possibility of combining road deputies with National Guardsmen on summer holiday weekends.

—Status of county finances. The amount of the deficit is still undetermined, since 1983 revenues are still coming in; and 1983 expenses are still being computed. Budget amendments have been entered by our data processing contractor; and the audit schedule is being prepared.

—Benefits for employees of the Joint Landfill Board. After review of benefits of county employees, consensus was that full-time Landfill employees are eligible for health insurance, retirement and holiday pay; plus straight time pay if the holiday is worked.

—P.A. 222 of 1983, and its effect on our Basic Grant - Office of Children and Youth Services. Mr. Bove assured the Board that the procedure for obtaining our \$10 thousand Basic Grant and \$5 thousand Joint Basic Grant is unchanged.

—An update on status of the Crawford/Otsego Landfill. Construction plans have been secured; Carl Robinson's services were terminated in December; and an investigation of the landfill operation is underway. The 1982 Solid Waste Plan has been submitted to the DNR, and licensing and permits are being pursued. The new trench had to be abandoned after a water vein was hit; and the clay cover is still being sought through the Road Commission; as is assistance from the Corp. of Engineers. The possibility of utilizing the landfill for disposal of animal carcasses is also being investigated.

Meeting adjourned at 4:47 p.m.

Full text of official minutes is available in the Office of the Crawford County Clerk.

Jeannette J. Kitchen, Chairperson

Elizabeth H. Wieland, County Clerk

## Grayling Township Board

### Solve Erosion Problem

Completed rock Rip-Rap structure protects the stream bank from further erosion.

Erosion of property along rivers and lakeshores is a real problem for many landowners in Crawford and Roscommon Counties.

Recently, a large stream-bank protection project was completed on the South Branch of the AuSable River. Working with the Crawford-Roscommon Soil Conservation District, Mr. Leonard Pingel obtained a plan for installing rock rip-rap to correct his erosion problem. Rock rip-rap is field stone placed along the streambank in a manner that protects it from the erosive effects of water.

Over the years, high waters had undermined the streambank which was causing large trees to topple, dislodging large chunks of riverbank. To remedy the problem, the District Work Crew and Mr. Pingel placed approximately 200 cubic yards of rock rip-rap along the streambank. This ambitious project was completed in less than two months despite high water levels and poor weather conditions. The 200 feet of rip-rap, besides protecting the bank, provides excellent fish habitat.

Rock rip-rap can also be installed along eroding lake-shores and it blends in with the surrounding environment very well. The District office can also provide landowners with information on how to stabilize eroding areas with various plant materials.

If you have any erosion problems on your property, why not call the District Office at 275-5231 and find out the best way to fix it.

By Thomas L. Cogger - District Conservationist.

### Mrs. Gwilt Named To S.S. Board

Mrs. Donna Gwilt was recently appointed by the Crawford County Board of Commissioners to the county Social Services Board.

Mrs. Gwilt was appointed to the three member board because of her outstanding qualifications. She retired from the Michigan Department of Social Services after 18 years of service. Her assignments included worker, conversion coordinator and assistance payments supervisor, Cass County, assistance payments programs specialist and trainer for Kent, Ottawa, Ionia, Montcalm, Oceana, Newago, and Muskegon Counties, employment and training specialist, central office, Lansing, assistance payments section supervisor-intake, Kent County, ADC program specialist, central office Lansing and voluntary heating fuel program specialist, central office Lansing. Prior to her Social Services career, Mrs. Gwilt taught for three years. She is married to Col. Ivan Gwilt and is the mother of four grown children.

Mrs. Gwilt's appointment will be for three years extending to November of 1986.

### GHS Knocks Off Ranked Squad

Grayling volleyballers knocked Gaylord St. Mary's out of the rankings Monday, Jan. 23, with a 15-11, 0-15, 15-7, 15-6 victory in a best of five match.

GHS coach Becky Brown said her squad got mad after the 15-0 humiliation in the second game and decided to come back and whip them like the L.A. Raiders whipped the Washington Redskins.

Dawn Phelps had 9 spikes in the important third game as Grayling ran their offense smoothly. Shelly Trenary led the team with 14 spikes and Phelps wound up with 11.

Phelps also contributed blocks against two of Gaylord's best spikers when Grayling turned the match around. Brown said Deanna Hubbard returned a couple of spikes and Kathy Worden banged a few serves in to take the wind out of Gaylord.

Worden hit 10 good serves in 10 attempts including some fireballs. Melissa McEvers was 14 for 14 serving and Trenary, Hubbard, and Shannon Krayes also sparked Grayling from the line.

Krayes and Lisa LaMotte controlled the offense with their setting. Brown said her first seven players were outstanding — Phelps, Hubbard, Melissa McEvers, Trenary, LaMotte, Krayes, and Worden — and Raeann McEvers played well coming off the bench.

Grayling also won the J.V. contest in a close 15-6, 11-15, 15-9 match. Beth Bedard had 16 good serves and Jamie Kaiser also served well. Lori Pfaff led the team with her tips and setting while Piper Ostrowski and Shelly Denton led in spikes.

Grayling faced Mancelona Monday and plays Gaylord Wednesday night away.

### Skiers Win 16 Races in Week

Grayling skiers raced to 16 wins against Roscommon, Boyne City, Kalkaska, and Sault Ste. Marie last week while losing only to strong Harbor Springs teams.

The girls just missed a perfect score of 20 as they defeated Roscommon 21-66 Jan. 23 at Hanson Hills.

Heidi Derenzy and Kris Laudenslager shared top honors. Derenzy placed first in slalom and second in giant slalom while Laudenslager placed first in giant slalom and second in slalom. Carie Longworth took third place in both races, Heidi Bendig had a 4th in giant slalom, Carol Longworth had a 5th in slalom and 6th in giant slalom, Madelyn Thomas 5th and 7th, and Pam Lange had a 7th in slalom.

Pete Huss took a first for the boys in the giant slalom and Alan Weiss captured a second in slalom and a third in giant slalom. Greg Welsner took a third in slalom and 5th in giant slalom, Ron Thomson 7th and 8th, Glen Carlson 5th and 11th, and Mark Gust 9th and 7th. The boys beat Roscommon 33-40.

In a five-team meet, Harbor Springs girls finished first with 41, Grayling had 59, Boyne 77, Kalkaska 136, and Sault Ste. Marie 161.

Derenzy was the top skier with a 5th in slalom and 3rd in giant slalom racing against 30 girls. Laudenslager finished 7th in slalom and second in giant slalom, Carie Longworth placed 10th and 10th, Madelyn Thomas 17th and 18th, and Heidi Bendig 26th and 11th.

The boys won the giant slalom event but had three racers fall in slalom to finish second overall. Harbor Springs won with 49 points, Grayling had 61, Boyne 78, Kalkaska 125, and Sault Ste. Marie 159.

Alan Weiss was the top skier at the meet among all teams as he finished first in slalom and third in giant slalom. Pete Huss took a first in the giant slalom.

Coach Mike Wieland said Greg Welsner also had a good day placing 4th in slalom and 6th in giant slalom. Kevin Reynolds finished 12th and 15th, Mark Gust 26th and 12th, Ron Thomson 13th in giant slalom and Glen Carlson 22nd in slalom.

Grayling skied at Nubs Nob Wednesday and has a home meet at Hanson Hills Feb. 1.

## Chamber Chatter

By Joyce Koika

The annual winter playtime week is here as the Winter Sports Carnival kicks off Thursday night with a dinner at the Chief Shoppenagon Hotel. The winter parade assemblies at 10 a.m. at the corner of Lake and North Down River Road. The parade actually will begin at 11 a.m. and that along with softball games will be the first events of the fun filled weekend, February 4-5.

We note that the Crawford County Snowmobile Council is off and running as they have elected Tom Schans as president of the organization. They are going to offer snowmobile rides to the Michigan Outdoor Writers Association members this weekend when the group assembles at the Holiday Inn for their winter meeting.

Speaking of the outdoor writers, local volunteers are going to guide them on ice fishing, snowshoe rabbit hunting and cross country ski trips. It is an opportunity for this area to put its best foot forward to demonstrate to downstaters through the writers that Grayling is a great location for winter recreation.

This column must go to press before the Miss Grayling Winter Pageant takes place, so we will not have the actual winner. Certainly we wish the girls the best of luck and anticipate that as usual whoever is chosen will be a fine representative for this area.

The loss was a great one for the community but perhaps even greater for the chamber and its responsibility to promote the area. Of course, we refer to Jack Mead and the unfortunate accident that took the life of a great public minded citizen. His support of chamber activities including the military receptions and events was above and beyond the call of the average person. He was to us a giant and will be sadly missed.

The Artrain Committee had an organizational meeting last week and agreed to reserve daytime hours for visiting the train to school groups and organizations. The train will be open to the public from 5 - 8 p.m. April 9 until the 12th and from 12 Noon until 8 p.m. on April 7 & 8.

The committee also took note of the fact that the Artrain's closest showing to Grayling will be at West Branch. The group agreed that publicity for the train should cover toward Mio, Gaylord, Houghton Lake and Kalkaska. Another committee meeting was scheduled for February 9 at 7:30 p.m. in the Community Room of Northern National Bank.

This week our hats are off to Don Geiss who is the P.R. Director of the chamber. Don has given endless hours to promoting Grayling, many of which are strictly volunteer. His ideas and writing ability are keeping Grayling and Crawford County in the newspapers and on radio locally and throughout the state. Many of his articles on hunting, fishing and experience in the great northern Michigan out of doors have been circulated also in other states. Don, we salute you and thank you for your writing devotion to the chamber and the community.

It bothered me that I didn't know all the answers...until I realized we were not meant to know. The unknown showed me my smallness... God's greatness. The amazing things He has done for me... for us. Now I find the mysteries of my religion exciting, refreshing.

Yes, these mysteries brought me to the realization that God's mind and methods are often clearer and more commendable than my own. And they speak not only of His power and majesty... but of His love.

Would it be as beautiful a world without these refreshing mysteries? I'll accept it the way it is now... and forever rest in the House of the Lord.

## Crawford County Residents Participate in Workshops

Crawford County 4-H leaders interested in dairy, livestock, poultry and rabbit, horse and veterinary science projects may attend an animal science leader training session February 23, 1984 at the Methodist Church in Gaylord.

"The purpose of the seminar is to increase enrollment in 4-H animal science projects by helping leaders find ways to identify and use educational resources and introduce more effective teaching methods in various subject areas," says Ann Stephenson, Crawford County 4-H Program Assistant.

The seminar will be conducted by five Michigan State University animal science specialists. Participants can choose from a variety of sessions.

A Cooperative Extension Service dairy specialist will cover starting a dairy project, what leaders can teach and how, patterns for management success and using state activities to enhance local programs.

An MSU livestock specialist will discuss record keeping for livestock projects and programs, trends in the livestock industry, selecting a project animal and how to care for it.

Topics for the rabbit and poultry sessions include fitting and showing rabbits, rabbit diseases, and the needs of a new 4-H poultry leaders.

Participants in the horse workshop sessions will learn about coaching judging

teams, foot disorders in horses and using the 4-H Horse Jamboree to help local clubs.

Registration will begin at 9:30 a.m. the day of the program. Sessions will run until 3 p.m.

The cost per participant is \$5.00, which includes lunch, registration and take-home materials. Additional costs of the seminar will be covered by the workshop sponsors. These sponsors include the Carnation Co., Milling Division, Kansas City, Mo.; Hamilton Farm Bureau, Zeeland; the Michigan Cattlemen's Association, Mt. Pleasant; and the Michigan Milk Producers Association, Southfield. Proceeds from the 4-H Horse Benefit Clinic held at MSU each spring are also underwriting conference expenses.

Reservations, including registration fee, are due February 17 at the Crawford County Cooperative Extension office. Spouses are welcome to attend. For reservation forms or more information about the seminar, contact Ann Stephenson at the Extension office or call 348-2841, ext. 265.

Teacher: "Joe, how many days are there in a leap year?"  
Joe: "Three hundred and sixty-five and a fourth."  
Teacher: "How can there be a fourth of a day?"  
Joe: "Why, there's the Fourth of July!"

**Senior Citizens****Special Program Series**

Since the break-up of American Telephone & Telegraph (AT&T), we've all been bombarded with newspaper articles and television advertising explaining the changes we can expect in service and on our monthly telephone bills.

Most of the information concerns Bell Telephone

Company, but nothing about our local service provider.

At 1:30 p.m. Monday, February 6th, Joel Sietsema, of the General Telephone Company, Gaylord office, will be here to guide us through a film and discussion of the changes we can anticipate.

Again, the Senior Citizen Center at 308 Lawndale St. is the place and the number for

additional information, 348-9314.

Other programming for February include: Natural Foods to Tickle your Nose & Palate, February 13th, John Duff of the Arthritis Foundation brings a film and news of new treatments, February 20th, and Nancy Hatfield is bringing her friend Violet Wells and Violet's leader dog Gypsy on February 27th.

Dear Whitey:

On Saturday, Jan. 21st we were fortunate to accompany friends to Kirtland College to view the Kirtland Performing Artist series, "Time for Singing" featuring Constance Barron along with Mr. Brian Connelly, her accompanist.

These two young people had the entire audience undivided attention for a full two hours while singing and playing songs of the "Roaring 20's."

It was a most enjoyable evening and we sincerely thank the Kirtland staff and all responsible for arranging and presenting to the public such high quality entertainment as Barron and Connelly provided. They are to be congratulated for their very excellent performance.

We sincerely hope and urge that many more people from Grayling and surrounding communities will become aware of and attend other Kirtland series coming up during the next few months.

Sincerely,  
Dena and Les Hunter

**Grayling Elementary Kindergarten Round-up**

Registration for the 1984-85 Kindergarten Class will be held on February 14, 15, and 16, at the Grayling Elementary School. Children who will be 5 years of age on or before December 1, 1984 are eligible to enroll for kindergarten.

Registration will be done by appointment only from 9:00 to 11:00 a.m. and 1:00 to 4:00 p.m. on February 14, 15, 16th. Please call the school (348-7641, ext. 46) to schedule your appointment. We will begin scheduling of appointments on February 6th. If you are not able to attend registration during the "Round-Up" days we will make every effort to work out a convenient time for you to come in.

Early registration of kindergarten children is extremely important as State requirements must be met before a child can be permitted to attend school. All children entering school must be up to date with immunizations, have vision and hearing testing, a physical exam, and produce a certificate of birth. Vision and Hearing screening will be held March 6th through 9th and clinics for physical

exams will be held this spring, also. All children registered will be scheduled with appointments for these clinics. Immunization clinics are held monthly at the Health Department.

I urge you to enroll early and attend the preschool clinics to prepare your child for school. Children not meeting State requirements will not be permitted to enter school.

Please bring your child's immunization records and a birth certificate for registration. If you do not have these documents but intend to enter your child in school in September, please call the school at once.
